

Annotator Self-Reflection Checklist

- Do I clearly understand the labeling instructions for this task?
- Am I applying the same criteria consistently across similar images?
- Have I reviewed examples or edge cases provided in the guidelines?
- Am I avoiding reliance on assumptions or stereotypes?
- Did I consider whether peer annotations might be influencing my decision?
- Do I feel uncertain about this label? Should it be flagged for review?
- Have I noticed myself defaulting to 'Other' or 'Unclear' too often?
- Would I make the same decision if I were labeling this again tomorrow?
- Should this case be discussed during team calibration or review?
- Do I need clarification from the project lead or reviewer before submitting?
